

# Striker's Website and Sports Connect Integration Overview

Welcome to Green Bay Strikers Soccer! This integration will allow you to communicate directly with your player's families as well as provide you your schedule, team roster, messaging and more.

## Creating a Profile

In order to use this integration feature you will need to create a coaching profile on the Striker website (gbstrikers.com) If you are a parent and/or a coach already signed up this will be the same account you used to sign up. Simply go to the Striker website and Log In. After you have logged in you will have access to your team's roster, schedule and more. Follow the prompts below to help get you started...

\*\*\*Please note this is the preferred method from a laptop or computer, the phone is easier to use on the Game Changer app\*\*\*

**\*\*Screen Shots are from a phone and may have a slightly different layout on computer/laptop\*\***

**Enter same email you used for signing up**

## Green Bay Strikers

Welcome, back! You're now able to use your Stack Sports SSO account to log in to this site.

Password

Continue

[Forgot your password?](#)

You should then see this message indicating it recognizes your email account.

This step is important because if you do not see this message it will then prompt you to create a password and thus creating a new account. However, this account will not receive any of your teams info as that info will go to the account you used to originally sign up as a coach.
